A Free, Internet-Based Activity **CME**

Clinical Pearls for Syndromic Testing: Closing the Loop on Acute Respiratory Infection Management

TARGET AUDIENCE

This activity is intended for primary care physicians (PCPs), infectious disease (ID) specialists, critical care specialists, emergency medicine physicians, nurse practitioners, and physician assistants.

LEARNING OBJECTIVES

Upon completion of this activity, participants will:

- Have increased knowledge regarding the
 - Key characteristics of available diagnostic panels for acute upper respiratory infections
- Have greater competence related to
 - Integrating diagnostic stewardship principles with syndromic panels when testing for acute upper respiratory tract infections
 - Optimizing patient management strategies based on results from rapid diagnostic tests
- Demonstrate greater confidence in their ability to
 - Use rapid diagnostic tests judiciously for the identification of acute upper respiratory tract infections

ACCREDITATION STATEMENT

In support of improving patient care, Medscape, LLC is jointly accredited with commendation by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

For Physicians

Medscape, LLC designates this enduring material for a maximum of 0.50 **AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

College of Family Physicians of Canada Reciprocity

College of Family Physicians of Canada Mainpro+[®] participants may claim certified credits for any **AMA PRA Category 1 credit(s)**[™], up to a maximum of 50 credits per five-year cycle. Any additional credits are eligible as non-certified credits. College of Family Physicians of Canada (CFPC) members must log into Mainpro+[®] to claim this activity.
